“ I am so sorry. I worked with Linda at AVX back in the early 70s. She talked about you guys all the time. Every night, she always had something to say about her boys. She loved you; I could always tell. She sure was a hard worker and helped the time go by. I talked to her when she won a lottery. She told me she had worked for the police there in MB. Again, I am sorry. Keep the good memories of her alive and so will I.
