I did not know of Linda's passing until today. We were at Conway High together as students and then later when I taught there in the 80s and the 90s. She was an amazing person, always full of laughter and loving stories of her family. She was definitely a Mama to hundreds of students. I was blessed to call her my friend. I wish I could have talked to her again but we lost touch when I left CHS. My prayers go out to all of you. Ruthie Vaught Warren
