“ Family, I had the honor of meeting Ms. Todd only once. That one time left a lasting impression on me. She was a very nice, happy, and loving lady. She was concerned of others and their feeling before she was her own. This lady was an inspiration to me and I will cherish the time we had as friends. I know that the wonderful memories of a wonderful lady that I only new for a short while has left a lot of family and friends with many, many more. Cherish those memories as I will and lean on God for the strength that He will give you during this sad and lonesome time. I will keep each of you in my prayers. May God be with each of you.###imported-begin##Ann K Moore###imported-end##
