“ Dear Gus, Esther and all the Farria "kids" I just found out about Linda. I have such wonderful memories of all of you at First Baptist and the times Claudette and I spent with the youth. our family was so very special and to think of losing Linda at such a young age is so sad. I know your faith has carried you through this time and the knowledge that Linda will always be with you. The Bible says Bring up your children in the way they should go and when they are old they will not depart from it. Gus and Esther you did this and we can always count on God's word. Thank you all for being a part of my life at First Baptist and I love you all. David sends his love also. Beth Rogers Dykes

She approached life with a lively spirit and was undaunted by convention...
