“ *So very sorry to hear about the passing of Ms Linda. We as many others worked together at Loris Community Hospital before her retirement & I fondly remember her best as Loris' Infection Control Nurse and I will always as I do so often now cherish the many memories we shared working together. Ms Linda was loved and will be forever missed by all that knew her not only in her nursing career, but also as a Christian friend to many and a wonderful grandmother, sister, aunt to her loving family. My thoughts and prayers are with you all during your time of sorrow and may God give you comfort and peace for the coming days without her. Peace and Love to all, Brenda Merritt*
