“ I sit here and I am broken as my heart aches. You were always there for me with an open heart, a shoulder to cry on and never judged me. I am lost without my smoke partner and our daily "meetings " u were not only my mother but my best friend. I'm sorry I can't be there to send u home but I promise I'll see u again. I know u knew how much I love u but u will never know the pain of losing you. U were truly a godly woman, I know Jonathan is there with open arms. RIP , U are truly missed. Till I see u, JPS2
