“ Our deepest sympathy to Linda's family. She was a wonderful lady. She did redecorating/painting work on our condo @ the Myrtle Beach Resort many times which we were always pleased with. She was always a pleasure to talk to. We were shocked and deeply saddened to hear the news of her passing... She will be missed.

“ We are very saddened by the loss of Linda in our lives. Over the years we have established a nice friendship . We communicated regularly thru the internet, & when we were in her neck of the woods , we would always reach out to get together for lunch. Our thoughts and prayers go out to Linda & her family. May she rest in peace.
Respectfully,

We were very saddened and shocked to hear of Linda's passing. We were among many who were clients of hers and always knew what a gem she was in her field. Her knowledge and professionalism were obvious from the first meeting and she was always fair in her dealings. We have grown to really like Linda over the years and will miss her greatly.
