I'm a Canadian snowbird who came to know Linda about 20 years ago. We've kept in touch and always enjoyed our time together when visiting MB. So sorry to hear of her passing — was speaking to her only a few weeks before and then nothing. I wondered what happened! My condolences to her grandchildren. And to that great grandbaby, know that you were dearly loved by a sweet lady.

“ *During and after high school, Linda was one of my best friends. She was a bridesmaid in my wedding, and a little later, I attended her wedding when she married "Snooks" Martin. I was there for her when he accidentally drowned while on a fishing trip on the river. Careers and raising our children soon took over and we pretty much lost touch with each other. Linda was a very kind person with an outgoing personality. May she Rest In Peace, with her family and friends knowing that her life was well lived.*

My deepest condolences and prayers for the entire family. Linda was one of my best friends--always cheerful with a huge smile, and a true caring nature for others. We shared our happiness and sadness many times over the past 13 years. She always had the right words to say if you felt down, and she encouraged everyone to live life fully. Linda was so delighted to share her great granddaughter's first 6 months with wonderful moments of interaction and the pictures that made her ever so happy. I will truly miss her calls, our get togethers, and hearing her voice!. She will be in my heart forever. Barb Swanson
