

Lisa G. Lilly

April 30, 1961 - September 21, 2021

Lisa G. Lilly

Her journey began April 30, 1961 in McColl South Carolina. She unexpectedly passed away in her sleep Tuesday September 21st but leaves behind many precious memories. She was a devoted wife to Glenn Woytisek, loving mother, supportive stepmother, and a fun grandmama. Lisa loved all animals and have had several rescues throughout her lifetime. She was a graduate of Scotland Highschool, Laurinburg NC and moved on to graduate with honors from Coastal Carolina University.

Lisa was a single mother raising her only child. She found times that she struggled but she managed to teach valuable life lessons to not only her child but all the children she mentored. She was more than a mother to many, she was a friend to all. If you had the pleasure of meeting her or if she touched your life in some way then you know "Don't stop believing".

She enjoyed traveling but her favorite by far was cruising to the islands.

Lisa had a heart for helping others reach their full potential. With the help of her paralegal background, she most recently helped many in the service industry get assistance during shut downs.

She had a passion for music and particularly loved local venues and artists. Lisa also enjoyed reading in her past time especially her favorite author, John Grisham.

Lisa is now reunited with her sister, Carol. She leaves behind husband, Glenn; son, Chris Lilly (Sarah Gates); parents, Patty & Marshall Smith; stepchildren, Elizabeth McCotter (Jason), Mark Woytisek (Lauren), John Woytisek (Meghan McCann); brother Eric Gaddy, Chris Gaddy (Aleshia); several nieces, nephews, grandchildren and of course friends.

A memorial service to honor Lisa will be held on Sunday, September 26 at 2:00 PM at Goldfinch Funeral Home in Carolina Forest (325 Hinson Drive, Myrtle Beach, SC 29579). In lieu of flowers, memorial donations in Lisa's honor can be made to the Grand Strand Humane Society (3241 Mr. Joe White Ave, Myrtle Beach, SC 29577).

I'm still in a state of shock. The world is a darker place without her light. Lisa was a mother to me in many ways. I wouldn't be the man I am today if it had not been for her.

“ *Being friends with you was one of the easiest things I ever did. Working with you was just a pleasure, we always had each other’s backs, love you forever. It’s so hard to believe you are not here any longer. All the things we did when we worked together and the fun we had. The times you guys would scare me with rats and jump out at me. You bringing your birds to work and adopting ones no one wanted. You also introduced me to a guy for a blind date and, well we didn’t date, however he and I tuned out to be great friends still to this day and that was because of you. Your love for kids, animals and helping anyone you could was a blessing to so many. Your family was your heart and I pray over them for comfort. I love ya girl!!

“ *Christopher & Glenn, I am so sorry that this has happened. I am in shock. Lisa was so full of life and always seemed to have an answer for everything; when she didn't she let you think she was ok. I will miss talking with her and laughing about all of our worldly travels. Lisa will always have a place in my heart. Lisa, don't stop believing. Love, Judy Colgate Burroughs*

“ I met her in 1975 when she moved down the street from me. She was this towering beauty with the sweetest smile we were 15, Lisa became my friend and we share many memories I'll forever cherish. Lisa was so smart, so fun, full of life and she loved life fully. My heart is breaking for you all. This is so sad and unexpected. May God grant her husband, son, mother, brother and all other family peace and understanding over time. Love you my friend, until we met again keep Heaven dancing to our Carolina beach music.

“ Glenn and Chris, my heart is broken for both of you. Glenn, thank you for showing Lisa what true love is all about, and Chris, I hope you know you were the center of Lisa's universe. She adored you and was one proud mother. I can't express how much I will miss her, but I am so glad we became co-workers in 1988 when we met at work, then friends and eventually sisters. I will miss her forever.
Love you both, Carol
