“ We loved roy so much and was a real shock to us. When he went into the hospital we did not know how serious it was. I remember how much he loved my Potatoe Salad when we had get togethers at Grandmas birthday or Christmas or what ever event we had. I thought the world of him and we will miss him so much. He was a good man and he was so down to earth. We had a few conversations about God and I knew his heart. Anut bill and Grandma, Nancy and Wayne and family. You all are in our hearts and Prayers. We love you.##imported-begin##Becky Kenny and Paul Floyd##imported-end##
