“ I read of your loss and want to express my deepest sympathy. As we live this life we encounter so many problems and illness is one of them. And the worse of our problems is Death an enemy of life. Losing a loved one can be devastating, because we have a built-in desire to live and enjoy life with our family and friends. When we lose our loved one, for whatever reasons we may believe, it is distressing, because we miss them very much. At these times, we need encouragement and hope so that we can cope with our lost. For that reason, we can be encouraged by reflecting on the promises that God has given us thru his word the Bible, concerning the resurrection hope of seeing our loved ones again. I hope that you find comfort in reading these scriptures. John 11:11-44, John 5: 21, 28, 29, Acts 24:15 and Revelation 21:3, 4. My prayers are with your family.##imported-begin##Karen Cross##imported-end##
