This picture was taken in a Photo Booth at the beach. I had gone swimming, and Lloyd did not get in the water because he didn't want to get his hair wet. Lloyd waited until I got wet and then decided we needed our picture made. Of course, he laughed about it.

Great grand, Darren whom you thought could not be topped. I wish you could have had the pleasure of meeting the other great grandchildren, Sirena, Atlas, Madalena, Chloe and Claire the twins. Yes twins! You would be one proud Papa.*

“ When I first started to school, I had to walk to the bus stop. Lloyd also had to walk there as well. Lloyd was only about 5 or 6 years older than me, but it seemed so much more. My Moma, asked Lloyd to watch out for me, and he took her serious and he was my "Protector", I never forgot that. He was a very special person, to me. We sure will miss him, but our loss is Heaven's gain, til we meet again, dear friend.
