“ So sorry and sad to hear of my friend Porky passing away. He and I met in high school and I loved him like a brother, Porky and myself really had some good times. He had the biggest heart of anyone I have ever known, anyone that knew him knew how funny and loving he was. It is really sad to know I will not ever see him or ever be able to cut the fool with him. I am praying for his family and I have to say god has a good one with him now.
