“ I just came across Lloyd's obituary here a very years late. I served in Vietnam with him at the Cam Ranh Bay US Air Base in 1968-1969 with the 556th Recon Sq Det 2. He was in our Avionics Shop.. I talked with him on the Phone a number of years ago. He was a great person to share my time in the USAF. Sorry for your loss!

“ I worked with Lloyd for many years and although I haven't seen him in at least 25, I still have many fond memories of him. First and foremost was the time he taught me hand to hand combat - it took only 2-3 seconds to get the best of me. loved him, never a down moment. he will be missed and I'm sure forever loved. randy kelly

Seggie was always such a kind man and a pleasure to work with. He wore a big smile every day and had a laugh you couldn't mistake. He will be missed but forever remembered by many of his former coworkers.
