“ Growing up with all of you and memories of all the times your mother had all of the families together spread throughout the house are things that keep her alive in our hearts. She touched each of her nieces and nephews in many ways and will be missed. I know Mom loved her sister dearly and now they are both released from pain and rejoicing at seeing each other along with Nanna. Now that should be a celebration!

“ Wishing I could be there with all of you at this time. Aunt Lois and Uncle Scudd were the cutest couple ever. Seeing love like theirs that has endured thru all their years together really was inspirational and rare in this day and age. Every time you saw them there was always a big smile and a big hug. Colbath get togethers won't be the same without Aunt Lois there. Just know Uncle Scudd and the "other Colbath girls" I am thinking of you all (and your families) at this time and you will be in my thoughts and prayers. Hope we can all get together soon when you are back in Jersey. Love, Theresa and family

my heart is with your heart this weekend as you say good bye to your wonderful mother. There is nothing like a mother in this world and nothing can take her place. however, you have rich memories to sustain you and my prayer will be that you find comfort in knowing that she is with our Lord and at rest and peace. thinking of you at this time and looking forward to seeing you and Ben soon.  
Love to you both,
