“ *My Aunt Lois was an awesome woman...when we'd go and visit her in the summer she always had a smile on her face and always was warm and welcoming. She loved her family so much! I know how much she loved her children as well and how proud she was of them. She and Uncle Joey had the kind of marriage that people long for. I will miss her greatly and she left her fingerprint on my heart that will remain there forever.*

“ *I have known Lois since I was very young. I always loved her like a sister. She was always the "rock" of the Thompson family. She took care of her family near and far and made sure her mom had everything she could provide. She will be missed immensely. To the family and Joey, you are in my prayers. Know that she is pain free and healed right now. She is holding Joe Joe and seeing her other family and friends in Heaven. As much as I will miss her, I am happy for her to be with her Savior in Heaven.*
