“ Jerry and I are completely heartbroken over the loss of our second Mom. Tears have fallen alot the past two days here. Please accept our heartfelt condolences on your loss. She was a fiesty young lady! Once her mind was made up it was hard to change. We used to yell at her all the time for climbing and she said "Well it needed done!" We said that's what we are here for. Her famous saying was always "It is what it is" now everyone that comes in this house has heard us say it so many times everyone says it!!! We are very sorry for your loss. It is never easy saying Goodbye so "Dene" It is until we meet again. Terrie you did a great job helping your Mom. She will definitely be missed here for sure always. Love you all. 🥺💔🙏💖
