“ Where do I begin.... Mrs. Jenny was the most gentle soul with a heart of gold. She was one of the kindest people you could ever meet. She adored her Betsy and the rest of the family. She cherished every moment she had with them and was happiest when she was surrounded by them. The care that Betsy and Robert provided for her in her later years meant the world to her and she was blessed to have raised such a caring, faithful daughter. She had a strong faith that guided her throughout her life. She had the most beautiful smile and was so proud of her Betsy! I was blessed to have known her and cherish all the times I got to spend with her through the years. You are all in our thoughts and prayers. Sending love and hugs to you all.
