“ Lora - I was so looking forward to meeting you at Michael & Jennifer's wedding. Although we never met, after this past week I feel like I do know you. Thank you for giving them your blessing even though it meant that Michael had to move away from you and the Myrtle Beach area. You have raised a wonderful son. The events of the past week have reminded me of the comforting words of my favorite Psalm - Psalm 30: "...weeping may endure for a night, but joy cometh in the morning..." and "Thou hast turned my mourning into dancing." May God bless you. I am confident that we shall meet someday. Until then, I send you my love. “ We worked with Gary and Lora. I've been in touch with Lora over the past several years right up to last week. They were wonderful, loving people and their lives were cut short. I know they're together now and happy. May your memories bring comfort to your family. They were loved by so many people. May God ease your pain.###imported-begin##Judy & Larry Siratt###imported-end##

“ Lora was a great friend of my sister, Brenda Viers. She was the first of two people that were there for my sister when she lost her husband a year ago January. I was there when they came to visit and I instantly loved her and Lyndsey. I massaged your mother's back and shoulders and she loved it. She said to come back anytime to massage her. Brenda told me she has been a wonderful friend and co-worker. May God Bless All Of You and you have all my sympathy. Hold on to all your memories. In Chritian Love,

“ I worked with Lora and Gary both for many years. They were dear and kind people with a love for each other that was like none other! We lost Gary too soon. And, now, Lora follows. God has welcomed two special Angels and Lora is now back with the love of her life, for eternity. May God hold you all close and in the palm of His hand as He comforts you during this time. We are so very saddened for your loss.##imported-begin##Diana Johnson Saults##imported-end##
