“ My deepest sympathy is with your family. During these times it is especially important to draw close to God in prayer, for the Bible promises that *“he himself will sustain you.”-Psalm 55:22. It is always hard when we lose a loved one because we have a built-in desire to live and enjoy life with our family and friends. That is why death is not natural for us. However, at these times, we need encouragement and hope so that we can cope with our lost. For that reason, we can be encouraged by reflecting on the promises that God has given us thru his word the Bible, concerning the hope of seeing our loved ones again. I hope that you find comfort in reading these scriptures. John 11:11-44, John 5:21, 28, 29 and Revelation 21:3, 4. My prayers are with your family.##imported-begin##Karen Cross##imported-end##*
