“ Kim, I saw your last name and knew she had to be your family. I am so sorry for the loss of your mom. I doubt you remember me but I worked with you in Garden City at the Western Steer back many years ago. I hope you find comfort in the many wonderful memories you shared with your mom. God bless.

“ Kim, Robin, Christian and John, I am so sorry about your Mom. She had to be a special lady to raise a daughter like you who is so giving and willing to share. You were there when I needed all of you for support. Know that my heart aches for you now as you adjust to this life without her in it. She will always be in your heart and you will talk to her daily as I do my Mom. Love and sympathy to you all. --

“ My deep sincere sympathy to the family of Loretta. I am very sorry to read of her death. Death brings such sadness and pain to our hearts. This enemy death will soon be removed from mankind. Revelation 21:3,4 "the former things have passed away." Please find true comfort from the words of Jesus Christ our Lord and saviour..John 5:28,29 "all those in the memorial tombs will hear his voice and come out."

I only got to know Lolly through the most recent Wednesday Morning Bible Study at COR, but I feel as though I've known her forever. She was that kind of lady, and we'll miss her dearly.
