“ *I remember Lori as the little girl riding the school bus. She had blonde hair and the darkest bushy eye brows. She was so backward. Years later, in the early eighties, I worked with Lori at Case Farms. She was so enjoyable and pleasant to be around. Years later, we friended each other on Face Book. Its been nice keeping in touch these last 5 years or so. Lori's leaving us was a shock, as she didn't share how ill she was. I lost a dear friend. My sympathies to all the family.* ”
