“ To Lori's Family: Our deepest sympathy with the passing of Lori. We worked together as nurses in Rochester, had a lot of good times together and then I couldn't locate her , I then assumed she moved to S.C. to be near her family, I am so very sad that we will never have the opportunity to "catch up" with our lives. Would someone please contact me regarding Lori? 585-671-0468. We had so many good times with a lot of laughs, she was a great mom to her kids. I will pray for Lori that she is at peace with our Lord and smiling down on us. In deepest sympathy, Laura and Chris Cochi 1093 Terry Dr. Webster, NY 14580###imported-begin##Laura and Chris Cochi###imported-end##

“ I am so glad that I had the chance to come and spend time with Lori before she passed, she was an awesome friend that I have had the pleasure of knowing for over 15 years, I cannot express the sadness in my heart over her loss... My sympathies go out to her children whom she has left too soon that she loved with all her being, for they are too young to experience a loss of their mother, who loved them so much. If it were not for Lori...I would not be the person that I am today.###imported-begin##Jim Parnell###imported-end##
