“ I feel so fortunate to have known Lorraine. We were tennis partners many years ago and I called her Blister as she would blister that ball across the net. She was such a kind and thoughtful person...always thinking of others. Upon completion of my PhD she brought a cake to tennis practice to honor the occasion and I still have the special decorations from that cake. I am so much richer for having been a part of her life. I and my husband send our hearts to you Paul and all the family. With love, Jan and Gene Modjeski

“ I was fortunate to work with Lorraine at the Sea Oats Gift Shop. She was always vivacious, dedicated, loyal and a "team" player. So much fun to be around because she was always positive. Her smile was infectious and her laugh was beautiful... just like her. Paul was the love of her life. I loved her and Jim and I will be missing seeing her and Paul walking around Club Circle. Rest in Peace my friend.

Having only moved here a year ago, Lorraine took it upon herself to welcome us and make us feel very much at home. She had that special gift of love and caring for all.
