“ I would like for all of you to know how special Lou was to me. I always looked forward to seeing her and spending time with her each time that I came to the beach. I believe that it was God's plan when I found the house we have there now so that I would get to know Lou. She like having, not just a good, good friend, but another mother. We share so many things. We loved going places together and giving each other a hard time about our "fancy, dancy" clothes and jewelry that we loved to wear. She was a beautiful person inside and out. She took pride in herself and her lovely home. She was a fine Christian woman who loved her family. She shed a lot of tears over her family. She loved her husband so very much and never even thought of ever marrying ever again. She always said that he was "one of a kind." Everyone in our neighborhood thought he and she were the best neighbors and loved them both. Her memory will live forever within my heart and memory. I will miss her tremendously. Whenever she would take her daily ride in the afternoons she would always look to see if my car was at my house. If it was, she would always stop by for a visit. We loved to go out and eat together and laugh and "cut up". We were always laughing about this and that. I will gravely miss this lovely lady that was so important in my life. I know that she will smile when I meet her again in heaven. God bless all of you. Your friend in Christ, Jackie Looper
