“ *This gracious woman so touched my heart from the moment I met her. So special to me and many others who were blessed with her in our lives. While 'my times' were brief in her 84 years, I am grateful for having been a part of her care. She leaves a void which can never be filled for me and all who knew her. My thoughts & prayers for you Rilla & your family.##imported-begin##Joanne Haschak##imported-end##*
