“ Louise was a loving caring person. I grew up beside her and live near her later in life. She was always so concerned and thoughtful. She will be missed.

Louise was such a kind,caring soul. She always had a kind word for those around her and she truly cared about others. She usually had that sweet smile for those she cared about and loved. We were friends for many years but didn't see each other often, but when we did there was always time for a hug. She will be so deeply missed by those that knew and loved her. Prayers for all of her loved ones. Rest high on that mountain my friend . 🙏
