“ Any time spent with Louise at Dave & Joyce and Louise's home was a treasured time.

I always think of Louise when I hang the Gold Nutcracker ornament on my Christmas tree every year. That was a special evening we shared many years ago.

We were like two little girls giggling and enjoying the magic of the performance and the whole evening.

Will always love Louise, a special LADY to all who had the pleasure of knowing her.

*Our love & sympathies Dave & Joyce & family,
Carol & John*
