“ Lee,

*I am so sorry for your loss. I have a sweet memory of your Mother crafting items for Cameron when she was little. Also, the Christmas of 1998 your Mother was wardrobe mistress for the Christmas show on Broadway. The daughter of one of my old Girl Scouts had a lead role and so I got to go back stage and I introduced myself to your Mother. Kelly had told me of her using her creative talents for this production. Your Mother explained all the production changes and how they were cared for. I had some quests with me from Lugoff, needless to say I took sweet joy in knowing a lead performer and a wardrobe mistress, of this major production, talk about feeling "in the know".*

*Your Mother was truly blessed to have you as a daughter. Your love and appreciation was always evident.*

“ Louise always treated me like family. I called her "Mom" because she was my mom in so many ways. She was a generous, loving woman with a wickedly funny sense of humor. I will always remember the holidays spent at her house. She was an amazing cook and quilter. The greatest joys of her life were being a mother and grandma. I love you, Mom.

“ Louise was a very special friend to me. She shared her love of quilting with our little quilting group. She very seldom had anything bad to say about anyone, but if she did, she would always end it with, " Bless Their Heart". She is truly going to be missed.
