“ Aunt Louise was more than just an aunt to me and my cousins. As our own mothers passed away she replaced the emptiness in our hearts with her love and gentleness. She always loved us as her grandchildren and not as just a niece or nephew. She has always been my inspiration to give me strength to deal with all the trials that I've experienced in my life. Although she now rests peacefully in heaven, she will always remain close to me within my heart. I will miss her so much as I live out my life on this earth.##imported-begin##Pam Arndt##imported-end##

“ We all grow up searching for someone to be our hero, someone who not only sets the standards, but lives by those standards every day. For those of you who chose Aunt Louise to be that hero, like I did, there simply is no better choice. Aunt Louise, I celebrate your life in heaven, but I will miss you deeply here on earth. I love you.
