“ *Dearest David, Angie and children: I send my deepest regards to you on Aunt Lou's passing. I praise our God that she's no longer suffering but now rejoicing with him in his kingdom. I loved her dearly and have many fond memories of her especially when she let me spend the two weeks with her when I was in high school and her taking me to the beach and shopping. She was a very loving and affectionate person and I can only strive to be like her. I also always thought that she had impecable flair for home interior decorating. Please forgive me for not being able to make it to the gathering/funeral. I did go to Conway and did not have any place to stay. I did ask my dad for your phone number, but needless to say, I never got it. Again, please accept my most humble apology. I will be thinking you and your family and praying that God will comfort you during this grievous time. My love and prayers always, B. Rue Stearns##imported-begin##Rue Stearns##imported-end##*
