“ *Lou not only loved gardening, she loved to share flowers with friends. I can feel her presence when I walk around my yard and see the white rose bush and day lillies that she gave me years ago. Lou was loved by many and will be missed by everyone who knew her. May God rest her soul as she now walks hand in hand with her beloved Terry. To those left behind, I pray that God will comfort your heart, uplift your spirit, and carry you through this time of sadness to a place of peace.*

“*Louvie was a remarkable person who was loved by all who met her. Her passion for flowers and gardening was exhibited by her beautiful yard that displayed hundreds of plants, flowers and trees that reminds me of a botanical garden. Her friendship was a treasure to have and she shared with so many who needed a friend. Always giving and never asking for anything in return, she was a wonderful Christian example for all of us. We loved her very much and she will be greatly missed.*
