“ May all feel the comfort of God in this difficult time. Gerald (Scab) I was a young girl when you became my brother in law,there are Soo many memories,working on cars at the old oak tree,driving your hotrods, listening to music while sitting on the front porch.Being someone that as each one of the boys were born ,being a proud Uncle to each of them. Their love for you will live on in the memories they hold dear.FLY HIGH AND KEEP WATCH UNTIL WE MEET AGAIN! YOU GO REST EASY!

“ *My father meant the world to so many. He wasn't the man who asked you to hold the flashlight when working on anything, he told you to grab the wrench and GET TO IT! He taught me everything I know about being independent, strong willed, and hard headed. I could write for days about the special moments my father and I shared as he was my best friend and my greatest treasure. I know he taught so much to the people he shared his life with and I cannot wait to hear all of the special moments that stuck with everyone regarding his position in their memory. I miss you dad.*
