“ Dear Joe, Because I have company from Baltimore, I just got around to reading Sunday's paper last night and was truly shocked to read that Lucille had passed. Lucille was one of my first newfound friends when Jack and I moved here. Even when she was mad or upset, she was funny and always had a sense of humor and made me laugh. I just got off the phone w/ Nita Griffin who said she thought Lu had cancer as Jack did; such an ugly disease. I feel your pain and even though I am up the north end of the beach, please be in touch if you want/need or just want to email or talk. Please know that I am praying for God to give you strength and comfort. with fond memories Diana Kingsley 4120 Friendfield Trace Little River, SCS 29566 843-399-7321###imported-begin###Diana Kingsley###imported-end##

“ During these times it is especially important to draw close to God thru prayer. It is also a time to reflect on the promises that he has given us thru his word the Bible concerning the hope of seeing our love ones again. I hope you find comfort in reading these scriptures. John 11:11-44, John 5:28, Acts 24: 15 and Revelation 21:4. My prayers are with your family.###imported-begin###Karen Cross###imported-end##

“ Dear Joe and Family You and the children are in our thoughts and prayers. I will sadly miss her. She was a terrific person and always had a smile for us no matter what. I know she is up there playing slots. I will always have a smile in my heart when I think of her. God Bless you and the family. Bonnie and Ed Richards Norman
