*Abby, we are so thankful for the good memories that we have of Lucille and all of your family and extended family. We loved your granddaddy and grandmamma;we go back that far. We lived in Loris when they all were so active and a part of the church and were always good to us. We still talk about things Mr. Roy would say and have a good laugh. Our prayers are with you during this difficult time and pray that you will feel our Lord's comfort and strength during the days ahead. Dot and Lester Branham*
