“ I haven't seen Lucy since high school, but the description of her by her close friends and co-workers sounds like the Lucy I knew: up-front, speaks her mind, loyal and funny. Time doesn't change the basics. I know her family and friends will miss her. My thoughts are with all of you especially all of her high school friends who were always so supportive.##imported-begin##Sandy McGeeMadsen##imported-end##

“ I will miss my friend Lucy. Time and distance did not keep us from keeping in touch. So many wonderful memories from when I lived in Tampa and Lucy and Jim were my neighbors...then Joe came along and we all had another to love. Lucy inspired me last year when I called for prayers for my Mom as she was going through hip surgery. Lucy said "if I can beat lung cancer then Eunice can knit a new hip" Lucy was a true friend...she told you straight from the hip...no frills. God Bless YOU Lucy My love to Joe and Jim and all of Lucy's family.##imported-begin##Anne Kash##imported-end##
