“ Dear Tom, Kim and family, I am so sorry to hear about your dad. We wanted to be there with you, but it doesn't look like Richard is going to be able to make the trip. I had to take him back to the hospital today, to get a blood patch to stop the fluid from his spine. But I wanted to let you know that, we love you and will be praying for you and the family. Sorry we couldn't be there for you. And if theres anything I can do, for you on this end, please don't hesitate to call. I'll be glad to do anything I can .We are really going to miss him! He was a really good man!!!Someone to be very proud of. As much as we're going to miss him, we know he's no longer suffering and that gives some comfort. May God Bless You All, Love Debbie and Richard##imported-begin##Debbie Adams##imported-end##
