“ *My heart is broken. Lynda was my best friend for 8 years, she always told me I was her special sister. we were so much alike. Lynda and I would set on her deck and watch the traffic and talk for hours. We had so many secrets that noone will ever know. I don't know what I am going to do without you. I told you there would be a lot of tears, but would be happy that you will be with John again. You will always have a place in my heart! I will see you again when the good Lord comes back and takes us to heaven. Ricky will miss you too! Love you sweetie!* ”
