“ After moving to SC in 1997, I hoped to find a group of friends that enjoyed decorative painting. CCDP was where I met Lynda. Her knowledge of techniques, styles, and artists was amazing. One special memory was the Myrtle Beach Santa that Lynda had Jill Mordasky design, especially for our group.

I will always remember Lynda for her faith, love of family, talent, and courage. She truly loved life! Lynda touched many lives with her caring personality, and will continue to be an inspiration to many. Sincere condolences to Ron and family. God grant you comfort in the precious memories you share.

“ To the Ziembko family : Grace and peace to you from God our Father and the Lord Jesus Christ. We sorrow with you at the loss of your dear Lynda, but we know she confessed Christ as Lord and that her soul now rests with Him who is the Resurrection and Life, and that at the last trumpet she will be raised with all the saints to life everlasting in heaven. May this be your comfort and strength in the days and months ahead.

“ Buddy & I were so saddened to learn of your passing, Lynda. How many wonderful times have the four of us shared. They will live in our hearts and become some of our fondest memories. Your love and your hospitality were never ending. Your knowledge of painting and your williness to share that knowledge knew now end. You will be missed by all who knew you. Rest in peace, my dear friend. God is waiting for you with opened arms.
