“ Tony & Kendra, I am so sorry about Chris. She loved to have a good time. She was always laughing. She loved to fish and spend time with her friends and family. Tony, she loved you so much. I remember the day she found out she was going to have a grandchild. She was so happy. The day Kendra was born had to be the happiest day I remember her! She loved that girl even before she was born. Her eyes would light up everytime she talked about her. I know she is in Heaven now sitting in a boat in the middle of a great lake doing what she loves to do best! One day we will be reunited with her in our home in Heaven. God Bless your family!

Tony, I'm so sorry to hear this. She was such a vibrant woman who was a joy to everyone she met. I have an African Violet that she grew for me. I have always loved it in my office and now it will be a reminder of her every day.

*Tony,*

*You know how much I loved her and I have many loving memories of Chris and her beautiful laugh which was followed by a witty remark. She lived life to the fullest and she was so proud of you and Kendra. She loved fishing and instilled that passion in you too. As Chris always finished her emails... Hugs.*

*Thinking about you and Kendra. Robin*
