“ *I will miss Aunt Mabel so much! I will miss our long talks and all the laughs we shared every summer when we came to visit her, grandma and grandpa. She had a smile and laugh that was contagious and I remember her tree out front and how she used to laugh about how big it got because she said she didn't do anything special to it. She was such a kind spirit who had such passion in everything she did. I wish I could have come to visit this past summer to see her. Her spirit and laugh will forever have a place in my heart. I know she's in a better place with Uncle Carl now and having a wonderful reunion. I miss and love you both!*

“ Dear Freddie and Family,
I was so saddened to hear of Mabel's passing. My husband, Brack Powell, was so fond of Mabel and called her regularly. I kept in touch with her after he passed away as I was also very fond of her. She was always so positive and upbeat. And as one widow to another she encouraged me thru some rough times. And I had a lovely note from her this Christmas.
Freddie, she spoke of you often and I know that you took good care of her. God bless you for that and may He be with you and your family in the days ahead.
My deepest sympathy.

“ Aunt Mabel has always been one of those people you always looked forward to seeing and talking to. The best classroom in the world is at the feet of and elderly person, and Mabel was that person. I had a conversation with Mabel a few weeks ago and she was as sharp as ever, offering advice on my future and upcoming decisions. As I was growing up, we saw Aunt Mabel and Uncle Carl more than any other relatives we had. They spent just about every Christmas and family vacation with us. The impact Mabel made to our lives will continue to influence us all well into the future. We love you and miss you Aunt Mabel but rejoice that you are reunited with Carl again.

“ One of a kind who will be deeply missed. Our sorrow is also our joy to know that she is now standing "tall" and free from pain beside Uncle Carl. She touched many lives across the world, and was proud to be from Wirt County WV. Remembering all the laughter and fun we had over the years and all the stories we could share if only the internet were big enough! You will live forever in our hearts, until we all meet again for the big reunion in heaven.

“ We will miss her sweet smile and laughter that she had. She enjoyed talking and taking care of everyone. Enjoyed company and kept busy with the church. We looked up to Mabel and enjoyed her and Her late Husband, Carl's, hospitality and friendship that she gave to all. Missed her so much at the reunions. Love Mark and Sheila Dye and Family

“ Just thinking of Aunt Mable always brings a smile to my face. She and Uncle Carl were always very special to me. They were the first on my side of the family to welcome Lee into our family, she never let Mom forget it, ha She and Uncle Carl made a trip to Texas shortly after Lee was born. It meant a lot to me. Troy and Lee both truly enjoyed visiting with Aunt Mable and Uncle Carl. You can't think of one of them without thinking of the other, and now they are together again. I love you Aunt Mable and you will forever be in my heart.
