“ Avery was quite a man. He always had "something going on". He was a witty sort of fellow who usually had a good comeback. I would often laugh at his comebacks and then tell him "you ain't right~" He was one of only a few people that I would ask about government issues and candidates because he seemed to have his hand on the pulse of current issues. We know that he will be missed by his loving family and church family but he was ready for heaven. There's no doubt about that. May all of you find comfort and peace knowing that we'll see him again. We love you all.
