“ Dear Louise,
I am so sorry to hear that your mom has passed away. So often I think of all the visits we shared at your house with your parents, and at my house with mine. They are happy memories.

“ We will all miss dear Aunt Lee. She was always impeccably dressed and carried herself with grace. She and our mom were far more than sisters-in-law. They were friends who shared many good times and much laughter. They are all reunited now and continuing the fun. God bless you, Louise and Joseph. May you both carry on the family love and unity that we've always had throughout our lives.

With love,

Richard, Angelica & James Santomauro

Armand and I send our deepest sympathies. I just became aware. Now she will not be in pain and she is truly home. You are a wonderful daughter so have no guilt. You have always given her the best of you.
