“ I will always remember my Aunt Madelyn with a smile ,I remember when I was a teenager that she had this huge collection of romance and screen magazines that she loved to read particularly when she was pregnant with her daughter Melanie and she was a fountain of information about anything to do with the family. Aunt Madelyn loved being around her family. I know that she is in the arms of the Angels now pain free. With deepest sympathy from the Weir Family (nee Marvolee Wilson's Children)
