“ *I am so sorry to learn of Maggie’s passing. She was one of the first to make me feel comfortable when I arrived in Horry County. She and Aunt Mildred knew I was scared and they both took me under their wings. I will never forget them. Your mom always had a crowd at her table, but she always had enough food for all of us. All of her children proved what kind of a mother she was, by the way you took care of her these last years. She was one of the best and Randolph and I both loved her dearly. Thanks to all of you for sharing her with us. My love and prayers are with all of you. Rebbly Johnson*
