“ Hal, I was saddened to hear of the loss of your dad. He was a kind and thoughtful man and I have always had fond memories of him. It isn't often that you meet someone who makes you feel at ease immediately. Your dad was like that. My hope is that time will heal the sadness that you feel now and thoughts of those cherished times you and your family shared with your dad will fill your heart with joy.##imported-begin##Diana Park##imported-end##
