“ Dear Mark, Sally, and family, It was with deep sadness that I received Mark's call. Malcolm was a man of amazing vitality, warmth, and good will. I especially admired the passion he held for new experiences, and the love and pride he retained for his family. He will be missed. I guess it marks the end of an era. My prayers and sympathy are with you. Paul##imported-begin##Paul Freidinger##imported-end##

“ I only had the opportunity to meet Mr. Malcolm Lewis one brief time about two years ago. For a man in his late eighties, he was of sharp mind and a calm spirit. Although I did not get a chance to ask him about his US Army career nor his life as an insurance salesman I feel I have gotten to know him through his son Mark. As you know, Mark is an active pilot and a professional storyteller and not a flight goes by without him telling a story about his father. Mark loves to tell stories about his Dad, whether it was about when he was training soldiers out west, in convoy tactics or how he took such great care of his customers and neighbors in his insurance business. Mark 's stories not only told us about a man that experienced a full and fascinating life but they also spoke of how much Mark loved and admired him. Mark please take comfort that your Dad is in a better place now and that he is very proud of you and your family. Over the last three years that I had the pleasure to work with Mark, I have witnessed a son who truly loves and respects his father. I can only hope that someday when my children are grown that they will feel the same way for me! God Bless the Soul of Malcolm Lewis and the loved ones he has left behind. “ Mark, Sal, Dorothy, and family: Sending our hugs from IL...wishing we could be there. Do know you are in our hearts and prayers during this difficult time that we somehow hoped would not come. Holding special memories as a secretary, family friend, Auggie student, and beach lover...we have been so blessed to have Mac, Emma & all of you in our lives. So many inspirational moments that will never be forgotten. Mac was a man of integrity and hard work. I referred to his work ethic many a time in sharing with newer agents. A business mind and a kindred heart. Over the years, we knew him as a great Rotarian, Hunter, Heart Assoc. Volunteer, lover of the outdoors.. and of his Emma, Dorothy, Mark, Sal, grand - great grand children, and, of course, his Dolly. So proud he was. Mac & Emma's generosity in providing us a week or two vacation yearly at the ocean was instrumental in our great love for SC and life on the beach. Mike, Derek, and I hold deep memories within our family due to those special times that will bind our lives together forever. We are grateful, and love the beach house purchased from Mac. Of recent years, Mac encouraged Derek to attend Augustana...a college he excels in and loves; and ironically one that was not on his initial visit list. We always looked forward to Mac/Dorothy & Dolly's visits to Illinois ...having the opportunity to house them during their travels. It is with much fondness and love that we reflect with all of you. Thank you for being such an important part of our lives Mark, Sal & Dorothy. Be sure and stay in touch as years continue to pass. Love ya.##imported-begin##Mike, Di & Derek Dickinson##imported-end##

“ I am so sorry to hear of Mr. Lewis's passing. He was a sweet and interesting man to talk to. I knew him from when I worked in the Communications office at Lakewood Campground. Mr. Lewis and his little dog would come by to visit and he would bring his pictures from his adventures to show me. He loved his family and I know he will be missed. My prayers and thoughts are with you.##imported-begin##Connie Boyd##imported-end##
