“ Hurricane Florence was, unfortunately, a catastrophic event for many South Carolinians. However, for Marcie and I, the evacuation produced delightful memories of spending five days together in Augusta. I will always remember that trip, with a wonderful, funny, spiritual lady and a phenomenal friend. I miss you, Marcie.

“*Marcie is and will always be my best friend. Her love and openness and honesty has always been what made us sisters, and we shall remain the same until we are rejoicing in heaven together. I just won't have her for advice, for our late night talks or the plans we were making for the very week we will be having her memorial. My heart is breaking for this sweet family who have lost their mother, their Ganky, their matriarch. My prayers and love to you all.*

I was blessed to have known Marcie as a co-worker for many years at Legends in Concert Theater, as a neighbor in Spring Forest but most of all as a friend. She loved her family and her church. She will be missed by all who knew her. My thoughts and prayers are with Kevin, Michael and their families. May God bless you.
