“ *Dad Gibson, Grier, Michael and Family,*

Marean was my Mother in law and friend for 25 years but she will always be "Mom Gibson" to me. She had such a great sense of humor and I recall all the times we laughed hysterically over silly things. Anyone that knows Mom Gibson knows she was not at all domestic and she made no apologies for it. She chose to express her love through being an encourager, spending quality time, gift giving and being a great listener. She was a hard worker and often said she worked to support her shopping habit. Like me, she loved clothes, shoes, getting her hair done and pedicures. She never met a stranger and always welcomed new friendships. Mom Gibson was a Godly, honest lady. She loved to talk to her children and grandchildren on the phone. Everyone often teased about how long winded she could be but they knew it was because she loved them fiercely. More than anything she loved and worshipped Dad Gibson, the love of her life for 59 years.

My heart is broken for all of you. Having recently lost my own Mother in January, I know the pain you are experiencing. The shock and disbelief will be overwhelming at times but it will get a little better with each passing day. Just draw close to God and allow Him to give the comfort that only He can provide. He is there for you as well as all of your family and friends. Sweet Grier will miss his Mommy terribly so he will need lots of extra attention.

*I will continue to pray for you all in the coming days.
God bless you and I love you,
Tesha*
