“ Joanne, Joey, Carolyn, and your families, You know our thoughts and prayers are with you all. I know the fight your mom gave and how you each fought by her side this past year. I have many wonderful memories from "the park" having spent many a dinner at your table and a wonderful trip to the Jersey Shore! I still bake my apple pies the way your mom taught me. I wish I could be there with you all at this time. Know that I am there in spirit. Much love to you all.##imported-begin##Cherie and Brian Gudauskas##imported-end##
